"Pressestimmen 'As a pastor, a counselor, and a church member I can think of no other book that is more important for the church to read today!

It is sensitive, direct, practically-oriented, fresh, and thought-provoking.'--Dave Dunham, Pastor Dave Online, July 24, 2015'Shaw unpacks nine missteps the church needs to correct to convey the plausibility of the faithful and celibate lifestyle. This is the best book available on helping the church minister more intentionally to those among us who struggle with same-sex attraction.'--David Dunham, Leadership Journal, Winter 2016'This book is an important one because of two reasons: a) (Ed) is a man who experiences same-sex attraction, though refraining from same-sex relationships. Thus, I believe he has much to offer in the conversation. b) In identifying nine missteps that surround this important modern-day discussion, Shaw lays out one very important misstep on both sides: believing our sexuality determines our identity. I agree wholeheartedly!'--Scott Lencke, The Prodigal Thought, December 29, 2015'Ed Shaw has written winsomely and helpfully about what I consider to be the biggest discipleship issue facing the church: sexuality and identity in Christ. This is a book for the entire body of Christ, not just those who are same-sex attracted. Shaw accurately diagnoses nine false beliefs prevalent in our churches that have undermined a biblical view of sexuality and made it seem implausible. Yet the book left me hopeful and optimistic that the church can and must replace false beliefs with life-giving truth and love.'--Betsy Childs Howard, The Gospel Coalition, 'TGC Editors' Picks: Top Books of 2015,' December 2015 Über den Autor und weitere Mitwirkende Ed Shaw is the pastor of Emmanuel City Centre in Bristol, England, and part of the editorial team at www.livingout.org. He loves his family and friends, church and city, gin and tonic, music and books."
