"Reseña del editor National Geographic's Classic style political map of Southeast Asia features clearly defined international boundaries, thousands of place names, waterbodies, airports, major highways and roads, national parks, and much more. Also shown are the region's updated infrastructures, including major oil fields and pipelines; high-speed passenger railway lines; and even China's spaceport, Xichang Satellite Launch Center. Significant cultural and historic sites, such as Angkor, Cambodia, a renowned UNESCO World Heritage site, also appear on the map. The tasteful color palette, shaded relief, and bathymetric data make this map as attractive as it is functional. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:6,497,000 Sheet Size = 38" x 32"
